

COSY CAMPING BINGO

This bingo set includes a set of rules, cards for 8 people, and a set of cards to cut up for the Bingo Caller to use. If you have less than 8 players needing a card, you do not need to print all of the bingo cards.

YOU WILL NEED

The Bingo Caller cards

A container

The Bingo cards

12 squares of paper each or counters etc.

RULES

- The Bingo Caller cards need to be cut up and put into a container such as a bag, box or bowl. If you are using a container where the Bingo Caller can see the cards, then the cards need to be folded in half or into quarters.
- All players, with the exception of the Bingo caller needs a card. If there are more than 8 players, players could be in teams.
- The first person with one complete line wins the Line.
- The first person with all items crossed off, wins Full House.

HOW TO PLAY

1. The Bingo Caller will pull a card out of the container and read out what it is on the card. If the item is on their card, players need to cover it over.
2. All players repeat step 1 until a player has completely crossed off horizontal line of 3 squares. Once a player has completed a line, they should shout Bingo.
3. Start playing again. The players should repeat step one until the first person who has covered all the items on their card shouts Bingo.
4. Check the player has covered their card off correctly. If they have, they win and the game is over. If they have not, the game continues until someone has covered their card correctly.
